

List of CDI/ICD-10 Podcasts and Publications (5/26/19)

[Doing a TalkBack every week on Talk Ten Tuesdays, I stopped listing them here. Please see: <https://www.icd10monitor.com/talk-ten-tuesdays-podcasts> to listen to the newest or <https://www.icd10monitor.com/talk-ten-tuesdays-podcasts-archive> for archived podcasts]

Remer EE, **Lessons Learned from Consulting: Institutional Improvement of ED Clinical Documentation**, *ICD10Monitor*, May 20, 2019. <https://www.icd10monitor.com/lessons-learned-from-consulting-institutional-improvement-of-ed-clinical-documentation>

Note from the Advisory Board: Physician engagement: Tips from a physician, *ACDIS CDI Journal*, Volume 13, Issue 3, May 1, 2019. <https://acdis.org/articles/note-advisory-board-physician-engagement-tips-physician>

Remer EE, **Sweeping CC Designation Changes Noted in the CMS 2020 IPPS Proposed Rule**, *ICD10Monitor*, April 29, 2019. <https://www.icd10monitor.com/sweeping-cc-designation-changes-noted-in-the-cms-2020-ipp-pps-proposed-rule>

Remer EE, **Electronic Health Records and Patient Safety: Lessons Learned from Law-Medicine Conference: Part II**, *ICD10Monitor*, April 22, 2019. <https://www.icd10monitor.com/electronic-health-records-and-patient-safety-lessons-learned-from-law-medicine-conference-part-ii>

Remer EE, **Electronic Health Records and Patient Safety: Lessons Learned from Law-Medicine Conference: Part I**, *ICD10Monitor*, April 15, 2019. <https://www.icd10monitor.com/electronic-health-records-and-patient-safety-lessons-learned-from-law-medicine-conference-part-i>

Remer EE, **Opioids and Substance Use Disorder: A Public Health Crisis**, *ICD10Monitor*, April 1, 2019. <https://www.icd10monitor.com/opioids-and-substance-use-disorder-a-public-health-crisis>

Remer EE, **SIRS, Sepsis, and Rule No. 1**, *ICD10Monitor*, March 25, 2019. <https://www.icd10monitor.com/sirs-sepsis-and-rule-no-1>

Remer EE, **How Not to Do Clinical Documentation Integrity**, *ICD10Monitor*, March 5, 2019. <https://www.icd10monitor.com/how-not-to-do-clinical-documentation-integrity>

Remer EE, **Challenges Faced in Getting Queries Answered**, *ICD10Monitor*, February 25, 2019. <https://www.icd10monitor.com/challenges-faced-in-getting-queries-answered>

Remer EE, **Challenges and Solutions Involving Documentation**, ACPA Community Blog, February 10, 2019. (need to be a member to access.)
https://www.acpadvisors.org/content.aspx?page_id=2507&club_id=90610&item_id=1371&pst=8007

Remer EE, **Cardiac Arrest in the ED: What to Document and Code**, *ICD10Monitor*, February 5, 2019. <https://www.icd10monitor.com/cardiac-arrest-in-the-ed-what-to-document-and-code>

Remer EE, **Payers and Clinicians Should Use Clinically Accepted Criteria when Diagnosing Sepsis**, *ICD10Monitor*, January 29, 2019. <https://www.icd10monitor.com/payers-and-clinicians-should-use-clinically-accepted-criteria-when-diagnosing-sepsis>

Remer EE, **Are Symptoms Always “Integral To?”** *ICD10Monitor*, December 10, 2018.
<https://www.icd10monitor.com/are-symptoms-always-integral-to>

Remer EE, **Will Adverse Drug Effects Adversely Affect Your Institution?** *ICD10Monitor*, December 4, 2018.
<https://www.icd10monitor.com/will-adverse-drug-effects-adversely-affect-your-institution>

Remer EE, **Supporting Medical Necessity of Investigative Tests**, *ICD10Monitor*, November 5, 2018.
<https://www.icd10monitor.com/supporting-medical-necessity-of-investigative-tests>

Remer EE, **Gangrene in Diabetics: Assume the Code?** *ICD10Monitor*, October 29, 2018.
<https://www.icd10monitor.com/gangrene-in-diabetics-assume-the-code>

Remer EE, **ICD-10 Coding: Diabetic Foot Ulcer or Pressure Ulcer?** *ICD10Monitor*, October 22, 2018.
<https://www.icd10monitor.com/icd-10-coding-diabetic-foot-ulcer-or-pressure-ulcer>

Remer EE, **CDI: Documenting the Need to Generate Compliant and Meaningful Queries**, *ICD10Monitor*, October 15, 2018.
<https://www.icd10monitor.com/cdi-documenting-the-need-to-generate-compliant-and-meaningful-queries>

Remer EE, **Understanding Presumptive Linkage for Code Titles “With” or “In,”** *ICD10Monitor*, October 2, 2018.
<https://www.icd10monitor.com/understanding-presumptive-linkage-for-code-titles-with-or-in>

Remer EE, **Is it Patients over Paperwork or Providers over Patients?** *ICD10Monitor*, August 14, 2018.

<https://www.icd10monitor.com/is-it-patients-over-paperwork-or-providers-over-patients>

Remer EE, **Coding and Documenting BAL: Use a Medical DRG, Not a Surgical DRG.**

ICD10Monitor, August 5, 2018.

<https://www.icd10monitor.com/coding-and-documenting-bal-use-a-medical-drg-not-a-surgical-drg>

Remer EE, **Is all Airway Protection Acute Respiratory Failure?** *ICD10Monitor*, July 17, 2018.

<https://www.icd10monitor.com/is-all-airway-protection-acute-respiratory-failure>

Remer EE, **Type 2 Myocardial Infarction: Not a Fake Diagnosis**, *ICD10Monitor*, July 10, 2018.

<https://www.icd10monitor.com/type-2-myocardial-infarction-not-a-fake-diagnosis>

Remer EE, **Coding-Clinical Disconnect Reducing Apparent Child Abuse Incidence? Not on my Watch**, *ICD10Monitor*, June 5, 2018.

<https://www.icd10monitor.com/coding-clinical-disconnect-reducing-apparent-child-abuse-incidence-not-on-my-watch>

Remer EE, **Clarifying recent Salter-Harris fracture coding advice**, *Briefings on Coding Compliance Strategies*, JustCoding Inpatient, May 5, 2018.

Remer EE, **Advocating for Better Physician Documentation: Do No Harm**, *ICD10Monitor*, April 24, 2018.

<https://www.icd10monitor.com/advocating-for-better-physician-documentation-do-no-harm>

Remer EE, **Coding-clinical Disconnect: Type 2 Myocardial Infarction, Part II**, *ICD10Monitor*,

April 17, 2018. <https://www.icd10monitor.com/coding-clinical-disconnect-type-2-myocardial-infarction-part-ii>

Remer EE, **Coding-clinical Disconnect, Part 1: Type 2 Myocardial Infarction**, *ICD10Monitor*,

April 10, 2018. <https://www.icd10monitor.com/coding-clinical-disconnect-part-i-type-2-myocardial-infarction>

Remer EE, **Don't let Type 2 MI give you a heart attack!** *ICD10Monitor*, March 28, 2018.

<https://www.icd10monitor.com/don-t-let-type-2-mi-give-you-a-heart-attack>

Remer EE, **Adverse Effects or Poisoning? The Twin Horns of a Dilemma**, *ICD10Monitor*, March 12, 2018.

<https://www.icd10monitor.com/adverse-effects-or-poisoning-the-twin-horns-of-a-dilemma>

Remer EE, **Five Prohibitions of Copy and Paste**, *ICD10Monitor*, February 27, 2018.

<https://www.icd10monitor.com/five-prohibitions-of-copy-and-paste>

Remer EE, **Your OB Coding Questions Answered**, *ICD10Monitor*, February 6, 2018.
<https://www.icd10monitor.com/your-ob-coding-questions-answered>

Remer EE, **Clarity on “Chronic” Conditions**, *ICD10Monitor*, January 29, 2018.
<https://www.icd10monitor.com/clarity-on-chronic-conditions>

Remer EE, **Exclusive: Guidelines on Internal Clinical Guidelines**, *ICD10Monitor*, January 22, 2018. <https://www.icd10monitor.com/exclusive-guidelines-on-internal-clinical-guidelines>

Remer EE, **HIM Challenges: CAC’s a Tool, Not a Panacea**, *For The Record*, Vol. 29, No. 12, p 8, December 2017.

Remer EE, **Diagnosing and Documenting Malnutrition**, *ICD10Monitor*, December 12, 2017.
<https://www.icd10monitor.com/diagnosing-and-documenting-malnutrition>

Remer EE, **CDI Queries: Why Must They be Compliant?**, *ICD10Monitor*, November 14, 2017.
<https://www.icd10monitor.com/cdi-queries-why-must-they-be-compliant>

Remer EE, **E&M Coding for CDI: Lessons Learned**, *ICD10Monitor*, October 24, 2017.
<https://www.icd10monitor.com/e-m-coding-for-cdi-lessons-learned>

Remer EE, **Emergency Care: CDI in the ED Part II**, *ICD10Monitor*, October 17, 2017.
<https://www.icd10monitor.com/emergency-care-cdi-in-the-ed-part-ii>

Remer EE, **Emergency Care: CDI in the ED Part I**, *ICD10Monitor*, October 10, 2017.
<https://www.icd10monitor.com/emergency-care-cdi-in-the-ed-part-i>

Remer EE, **Taking a closer look at MI code updates effective October 1**, *JustCoding*, HCPro, September 20, 2017.

Remer EE, **Warning: All Sepsis is Severe Sepsis**, *ICD10Monitor*, August 22, 2017.
<https://www.icd10monitor.com/warning-all-sepsis-is-severe-sepsis>

Remer EE, **Goodbye “Outpatient CDI,” Hello “HCC CDI,”** *ICD10Monitor*, August 22, 2017.
<https://www.icd10monitor.com/goodbye-outpatient-cdi-hello-hcc-cdi>

Remer EE, **Putting the Why and Where into Clinical Documentation**, American College of Physicians Advisors, Newsletter, July 2017.

Remer EE, **Outpatient CDI: Part II: Shift to Population Health Management**, *ICD10Monitor*, June 12, 2017.
<https://www.icd10monitor.com/outpatient-cdi-part-ii-shift-to-population-health-management>

Remer EE, **The EHR Crisis: Pervasive and Dangerous Copying and Pasting**, *ICD10Monitor*, June 5, 2017.

<https://www.icd10monitor.com/the-ehr-crisis-pervasive-and-dangerous-copying-and-pasting>

Remer EE, **Outpatient CDI: Is “Outpatient” Out? Part I**, *ICD10Monitor*, June 5, 2017.

<https://www.icd10monitor.com/outpatient-cdi-is-outpatient-out-part-i>

Remer EE, **Let Me Tell You What is in it for You**, *ACPA Newsletter*, June 1, 2017.

Remer EE, **Code What the Doctor Did – Not What the Doctor Said**, *ICD10Monitor*, May 2, 2017.

<https://www.icd10monitor.com/code-what-the-doctor-did-not-what-the-doctor-said>

Remer EE, **Excellent Documentation is Necessary to Meet Medical Necessity**, *ICD10Monitor*, April 24, 2017.

<https://www.icd10monitor.com/excellent-documentation-is-necessary-to-meet-medical-necessity>

Remer EE, **Settling on a Secondary Diagnosis: Part II**, *ICD10Monitor*, April 17, 2017.

<https://www.icd10monitor.com/settling-on-a-secondary-diagnosis-part-ii>

Remer EE, **Settling on a Secondary Diagnosis: Part I**, *ICD10Monitor*, April 9, 2017.

<https://www.icd10monitor.com/settling-on-a-secondary-diagnosis-part-i>

Remer EE, **Debating perineal laceration repair guidance**, *JustCoding*, HCPro, April 5, 2017.

Remer EE, **COPD and Pneumonia: Code First or Code Also?**, *ICD10Monitor*, March 26, 2017.

<https://www.icd10monitor.com/copd-and-pneumonia-code-first-or-code-also>

Remer EE, **Guest Post: Clinical validation denial targets**, (excerpt from JustCoding, HCPro Publication), ACDIS Blog, February 22, 2017.

<http://blogs.hcpro.com/acdis/2017/02/guest-post-clinical-validation-denial-targets/>

Remer EE, **OB Coding: Delivering Accurate Coding Remains a Challenge: Part II**, *ICD10Monitor*, February 14, 2017.

<https://www.icd10monitor.com/ob-coding-delivering-accurate-coding-remains-a-challenge-part-ii>

Remer EE, **Industry Perspectives: Documenting Death**, *For The Record*, Vol 29, No. 2, p. 5.

<http://www.fortherecordmag.com/archives/0217p5.shtml>

Remer EE, **OB Coding: Delivering Accurate Coding Remains a Challenge (Part I)**, *ICD10Monitor*, February 7, 2017.

<https://www.icd10monitor.com/ob-coding-delivering-accurate-coding-remains-a-challenge>

Remer EE, **OB Coding: Delivering Accurate Coding Remains a Challenge (Part I)**, *ICD10Monitor*, January 31, 2017.

<http://www.icd10monitor.com/enews/item/1746-sepsis-then-and-now-how-the-oldest-disease-continues-to-plague-providers-part-i>

Remer EE, **CDI Improvement or Integrity?**, *ICD10Monitor*, December 20, 2016.

<http://www.icd10monitor.com/enews/item/1755-cdi-improvement-or-integrity>

Remer EE, **Sepsis Then and Now: How the Oldest Disease Continues to Plague Providers: Part II**, *ICD10Monitor*, December 12, 2016.

<http://www.icd10monitor.com/enews/item/1752-sepsis-then-and-now-how-the-oldest-disease-continues-to-plague-providers-part-ii>

Remer EE, **Sepsis Then and Now: How the Oldest Disease Continues to Plague Providers: Part I**, *ICD10Monitor*, December 6, 2016.

<http://www.icd10monitor.com/enews/item/1746-sepsis-then-and-now-how-the-oldest-disease-continues-to-plague-providers-part-i>

Remer EE, **Fighting Clinical Validation Denials: Here's How**, *ICD10Monitor*, November 21, 2016.

<http://www.icd10monitor.com/enews/item/1738-fighting-clinical-validation-denials-here-s-how>

Remer EE, **Clinical Validation Denials and Provider Formative Feedback**, *ICD10Monitor*, November 1, 2016.

<http://www.icd10monitor.com/enews/item/1724-clinical-validation-denials-and-provider-formative-feedback>

Remer EE, **Man vs. Machine: CAC Can't Replace Competent Coders**, *ICD10Monitor*, October 25, 2016.

<http://www.icd10monitor.com/enews/item/1721-man-versus-machine-cac-can-t-replace-competent-coders>

RAC targets for DRG downgrades, special guest, ACDIS Radio, October 19, 2016.

<http://www.acdis.org/acdis-radio/rac-targets-drg-downgrades>

Remer EE, **Exasperation: Clinical Validation Denials**, *ICD10Monitor*, October 17, 2016.
http://www.icd10monitor.com/enews/item/1716-exasperation-clinical-validation-denials?utm_source=MagnetMail&utm_medium=email&utm_term=icd10md@outlook.com&utm_content=EIENEWS101816&utm_campaign=Exasperation%3A%20Clinical%20Validation%20Denials

Remer EE, **Aggressive Tactics by Third Party Auditors Should Make Providers Vigilant**, *ICD10Monitor*, September 26, 2016.
<http://www.icd10monitor.com/enews/item/1703-aggressive-tactics-by-third-party-auditors-should-make-providers-vigilant>

Remer EE, **Outpatient Efforts: Putting the specific into unspecified**, *ACDIS CDI Journal*, Vol 10, Issue 5, pp. 20-22, September 1, 2016.
<http://www.acdis.org/articles/outpatient-efforts-putting-specific-unspecified>

ICD-10: Two weeks post-implementation, special guest, *ACDIS Radio*, October 14, 2015.
